Verse 1

D | **C# C#/E#** |
 When it came to words like I surrender
F#m⁷ | **Em A⁹** |
 I didn't do what I would pray
D^{maj7} | **C#^{b9} C#/E#** |
 Living my life watching the weather
F#m^{add9} | **Em^{add9} A⁹** |
 Wasting time and chasing fate

I look at the life that I'd been designing
 Waiting around for my breakthrough
 Now I'm pushin' my dreams to the side of me
 Cause they can't love me like you do

Chorus

| **D** | **C# C#/E#** | **F#m⁷**
 I give you my all I give you my all
Em A⁹ | **D^{maj7}** | **C#^{b9} C#/E#** |
 I'm not running anymore
F#m^{add9} **Em^{add9} A⁹**
 I give you my all I'm giving you all of me, all of me **(repeat)**

Verse 2

Father, I need you to search my heart
 Coming on back to surrender, Show me where to start
 All I want is to be abiding, Cause you show me a different view
 What I had was less exciting, Cause dreams don't love me like you do

Chorus

Bridge

F#m **C#/E#** **E** **B/D#**
 Pause - why would I make plans, Push away your hand, Alone I can't stand
F#m **C#/E#** **E** **B/D#**
 Stop - your plan is my choice, Tune out all the noise, I can hear your voice
Bm A/C# D(hit) Bm A/C# D(hit)
 And I don't wanna run, I don't want control
Bm A/C# D(hit) Bm A/C# D | **E** |
 I don't wanna run, I don't want control, No no no

Chorus
